ABOUT

Pair of terracotta bamboo-shaped table lamps on brown wooden bases. Beautiful dark turquoise glaze. Completed with new custom made square linen lamp shades. The inner sides of the shades are covered with gold color metallic material, that reflects and enchases the bulb light. Each lamp fits 1 bulb and is newly wired with a silk cable. Type G plug.

The terracotta bodies of the lamps are made in China, during the Qing Dynasty period, and later adopted into lamps by European craftsmen.
